Dear Desert Super Cup Participants,

Welcome to Phoenix! We are proud to host the 2017 Desert Super Cup, in partnership with Rated Sports, one of the most recognizable organizers in youth sports. We are looking forward to this inaugural event of fierce and fun competition amongst the best teams in North America.

During your visit, you will experience some of the finest facilities the Southwest has to offer. With 18 regulation-sized soccer fields, our Reach 11 Sports Complex is one of the largest in the western United States, and has attracted regional, national, and international tournaments.

While you are here, we hope you also enjoy Phoenix's world-class amenities and attractions. Reach 11 is close to the Musical Instrument Museum-the largest museum of its kind in the world, showcasing 15,000 musical instruments from nearly 200 countries and territories across the world. This year's Cup is also just a few miles away from some of our signature outdoor recreation areas - Cave Buttes Recreation Area, Phoenix Sonoran Desert Preserve, and Cave Creek Regional Park - where you can explore our magnificent Sonoran Desert landscape.

As the nation's fifth-largest city, Phoenix is vibrant and diverse, and we are proud to host a variety of sports competitions at our top-rated facilities. It is our honor to host this tournament, and I wish all participants and attendees the best of luck in this year's competition!

Sincerely,

Greg Stanton
Mayor
